

PROVIDING FOR CONSIDERATION OF H.R. 3289, EMERGENCY SUPPLEMENTAL APPROPRIATIONS ACT FOR DEFENSE AND FOR THE RECONSTRUCTION OF IRAQ AND AFGHANISTAN, 2004

---

OCTOBER 15, 2003.—Referred to the House Calendar and ordered to be printed

---

Mr. HASTINGS of Washington, from the Committee on Rules,  
submitted the following

R E P O R T

[To accompany H. Res. 396]

The Committee on Rules, having had under consideration House Resolution 396, by a record vote of 9 to 4, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 3289, the Emergency Supplemental Appropriations Act for Defense and for the Reconstruction of Iraq and Afghanistan, 2004, under an open rule. The rule provides one hour of general debate equally divided and controlled by the chairman and ranking minority member of the Committee on Appropriations.

The rule waives all points of order against consideration of the bill. Under the rules of the House the bill shall be read for amendment by paragraph. The rule waives points of order against provisions in the bill for failure to comply with clause 2 of rule XXI (prohibiting unauthorized appropriations or legislative provisions in an appropriations bill), except as specified in the resolution. The rule authorizes the Chair to accord priority in recognition to Members who have pre-printed their amendments in the Congressional Record.

Finally, the rule provides one motion to recommit with or without instructions.

The waiver of clause 2 of rule XXI (prohibiting unauthorized appropriations or legislative provisions in an appropriations bill) is needed because there are numerous legislative provisions included in the bill.

## COMMITTEE VOTES

Pursuant to clause 3(b) of House rule XIII the results of each record vote on an amendment or motion to report, together with the names of those voting for and against, are printed below:

*Rules Committee record vote No. 199*

Date: October 15, 2003.

Measure: H.R. 3289—Emergency Supplemental Appropriations Act for Defense and for the Reconstruction of Iraq and Afghanistan, 2004.

Motion by: Mr. Frost.

Summary of motion: To make in order and provide the appropriate waivers for the amendment in the nature of a substitute offered by Representative Obey which reduces Iraq reconstruction funds by \$4.618 billion. Defers funding of a portion of the major construction projects, maximizing use of local labor, and eliminating nonessential items. Adds \$4.6 billion saved from reconstruction for military needs not addressed in the committee bill. Requires a detailed report from the President describing how funds in the previous war supplemental have been spent, how funds appropriated in this Act are being spent, the level and types of funding needed for future years for both military and reconstruction activities. Provides that half of the reconstruction funds are transferred to a trust fund at the World Bank. Those funds would be available as loans to Iraq based on being matched by \$3.5 billion from other international donors. Provides that the entire \$87 billion package be paid for by canceling the tax rate cut for the top 1% of income earners. Restores the top income tax rate to its pre-2001 level of 29.6%. The rollback would be delayed until the start of tax year 2005.
